

2015 CEEDC MASTER GARDENER PLANT SALE

Note: Quantities limited, no guarantee of availability.

All plants require full sun unless otherwise noted in the "Comments" column.

2015 Annuals

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Ageratum</i> hybrid	'Artist® Blue'	Flossflower	lavender	8-12"	Mounded, upright, full habit; blooms summer to fall; beds, large containers and as a cut flower; deadheading not necessary; heat tolerant; sun to part sun; attracts butterflies and hummingbirds; deer resistant.
<i>Alternanthera dentata</i>	'Purple Knight'	Calico Plant	white (insignificant)	18"	Beds, borders, containers; dark burgundy leaves; spreading; pinch back to maintain compact form; heat tolerant; full sun to part shade.
<i>Alternanthera ficoidea</i>	'Red Thread'	Joseph's Coat	white (insignificant)	12"	Beds, borders, containers; slender burgundy leaves with green under leaf; bushy, compact mound; full sun to part shade.
<i>Angelonia angustifolia</i> hybrid	'Angelface® Dresden Blue'	Summer Snapdragon	soft lavender-blue	18-24"	Tall spikes; rarely needs staking; blooms summer to frost; beds, containers, borders; no deadheading; slightly grape-scented leaves; full sun; heat and drought tolerant; deer resistant.
<i>Angelonia angustifolia</i> hybrid	'Angelface® White'	Summer Snapdragon	pure white	18-24"	Tall spikes; rarely needs staking; blooms summer to frost; beds, containers, borders; no deadheading; slightly grape-scented leaves; full sun; heat and drought tolerant; deer resistant.
<i>Antirrhinum majus</i>	'Twinny Violet'	Snapdragon	red and magenta	12"	Double blooms of bright crimson and magenta from spring to mid-fall; compact dwarf plants, up to 8" wide; ideal for cutting, beds and containers; prefers moist well-drained soil; full sun; heat tolerant; attracts butterflies.
<i>Antirrhinum majus</i>	'Twinny White'	Snapdragon	white with yellow	12"	Double blooms of snowy white with a golden center from spring to mid-fall; compact dwarf plants, up to 8" wide; ideal for cutting, beds and containers; prefers moist well-drained soil; full sun; heat tolerant; attracts butterflies.
<i>Asclepias curassavica</i>	'Orange Milkweed'	Butterfly Weed	orange-yellow	36-48"	3" flower clusters, blooms spring to fall; upright growth habit; beds, borders; milky sap is poisonous if ingested and can be toxic to human skin; full sun to part shade; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Asclepias curassavica</i>	'Red Milkweed'	Butterfly Weed	dark red - orange	36-48"	3" flower clusters, blooms spring to fall; upright growth habit; beds, borders; milky sap is poisonous if ingested and can be toxic to human skin; full sun to part shade; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Asclepias curassavica</i>	'Yellow Milkweed'	Butterfly Weed	yellow	36-48"	3" flower clusters, blooms spring to fall; upright growth habit; beds, borders; milky sap is poisonous if ingested and can be toxic to human skin; full sun to part shade; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Begonia</i>	'Sophie Cecile'	Begonia	rose-pink	36-48"	Blooms in summer; min. temp. 60°; striking glossy green, deeply slashed leaves marked with irregular silver splotches with bright blood red undersides; cane-like begonia has long stems with evenly spaced nodes; leaves and large clusters of flowers arise from the joints; careful tip pinching keeps overly vigorous canes in bounds and promotes growth of new canes from the base; never overwater; part sun; drought tolerant.
<i>Begonia benariensis</i>	'Surefire™ Red'	Begonia	red	12-24"	Big color and big performance; deep green foliage with striking red flowers; vigorous habit; best performance occurs in sun-dappled part shade; space 12-18"; blooms planting to frost; upright habit; showy flowers; waxy green leaves; use in landscapes or as filler in containers; needs good drainage; deadheading not necessary; sun or shade; heat tolerant.
<i>Bidens ferulifolia</i>	'Peter's Gold Carpet'	Bidens, Tickseed	gold	10-15"	Beds, containers; blooms spring to hard frost; space 12-14"; deadheading not necessary; compact; full sun; heat and drought tolerant; attracts butterflies and hummingbirds.
<i>Brachyscome</i> hybrid	'Blue Zephyr™'	Brachyscome	lavender	9-15"	Mounded habit; lacy foliage with small, fragrant, daisy like flowers; space 12-16"; blooms planting to frost; use in containers or landscapes; shearing back plants as blooms fade can encourage increased blooming; full sun.
<i>Calibrachoa</i> hybrid	'Superbells® Frostfire'	Calibrachoa or Million Bells	white with yellow and scarlet throat	6-10"	Covered with hundreds of flowers all summer; mounding, trailing habit; mixes well with other plants; great container plant; space 8-10"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; heat tolerant; full sun.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Calibrachoa</i> hybrid	'Superbells® Grape Punch'	Calibrachoa or Million Bells	purple with dark purple throat	6-10"	Covered with hundreds of flowers all summer; mounding, trailing habit; mixes well with other plants; great container plant; space 8-10"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; heat tolerant; full sun; attracts hummingbirds.
<i>Calibrachoa</i> hybrid	'Superbells® Strawberry Punch'	Calibrachoa or Million Bells	pink with dark pink throat	8-12"	Covered with hundreds of flowers all summer; mounding, trailing habit; mixes well with other plants; great container plant; space 8-12"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; heat tolerant; full sun; attracts hummingbirds.
<i>Canna</i> x <i>generalis</i>	'Lou's Red'	Canna	red	4-5'	Tropical foliage; back of border; rhizomes must be dug in fall; full sun; attracts hummingbirds.
<i>Canna</i> x <i>generalis</i>	'Wyoming'	Canna	orange	5-7'	Tropical foliage; back of border; rhizomes must be dug in fall; full sun; attracts hummingbirds.
<i>Capsicum annuum</i>	'Black Pearl'	Ornamental Pepper	purple	14-18"	Black-leaved ornamental pepper; bright purple flowers change into black pearl-like peppers which mature to a bright red; upright habit; peppers are edible, however, peppers are hot and NOT recommended for eating; deadheading not necessary; heat tolerant; sun to part shade.
<i>Carex testacea</i>		Orange Sedge	tan to brown	12-16"	Fine-textured grass; glossy foliage olive-green turns a rich russet-orange in fall; dramatic in mixed containers and fall displays; full to part sun; deer resistant.
<i>Cuphea</i> hybrid	'Vermillionaire™'	Large Firecracker Plant	orange	18-28"	Brilliant small tubular flowers edged with yellow and red bloom continuously on a tidy mound of dark green foliage; great for garden beds or large containers; deadheading not necessary; best in full sun; heat and drought tolerant; attracts butterflies and hummingbirds.
<i>Dahlia</i> hybrid	'Dalina® Midi Sumatra'	Dahlia	yellow	8-12"	Double 3" flowers; blooms planting to frost; spacing 6-8"; use in combinations, landscapes and beds or as a thriller in containers; green foliage; upright habit; deadheading encourages more blooming; forms tubers that can be stored for replanting in the spring; sun; attracts butterflies.
<i>Dahlia</i> hybrid	'Mystic™ Dreamer'	Dahlia	pink	18-24"	Showy star-shaped flowers; dark purplish foliage; mounded habit; space 12-16"; blooms planting to frost; use in combinations, landscapes and beds or as filler in container; deadheading encourages more blooming; forms tubers that can be stored for replanting in the spring; full sun; attracts butterflies.
<i>Dichondra argentea</i>	'Silver Falls'	Silver Ponyfoot	greenish-yellow to white (inconspicuous)	2-3"	Tiny 1/2 inch stems and leaves are soft silver; trailing habit; can cascade 3-5 feet; full sun to light shade; drought tolerant.
<i>Eucomis</i> hybrid	'Leia'	Aloha Lily, Pineapple Lily	dark pink	10-15"	Spectacular pineapple-shaped spikes hosting hundreds of small pink florets bloom late summer above a basal rosette of bright green, flat foliage with wavy edges; flowers have slight fragrance of coconut; use in borders or containers; prefers moist well-drained soil; bulbs must be dug in fall; sun to part shade; drought tolerant once established.
<i>Euphorbia graminea</i>	'Diamond Delight™'	Euphorbia	white	10-12"	Double flowered, vigorous, mounded habit; beds, containers; clouds of airy flowers spring to frost; space 8-12"; deadheading not necessary; milky sap is a skin irritant; full to part sun; extremely heat, humidity and drought tolerant; deer resistant.
<i>Gomphrena</i>	'Fireworks'	Globe Amaranth	pink	36-48"	1" bright pink flowers are tipped with yellow; blooms late spring to frost; quickly forms a large dense landscape specimen 12-24" wide; tall strong stems; ideal for fresh and dried bouquets; full sun, heat and drought tolerant; attracts butterflies.
<i>Gomphrena</i>	'Strawberry Fields'	Globe Amaranth	red	24"	1" flowers resemble bright red strawberries with yellow seeds; blooms midsummer to fall; ideal for fresh and dried bouquets; long-stemmed, may require staking; full sun; heat and drought tolerant; attracts butterflies.
<i>Impatiens hawkeri</i>	'Infinity® Pink Frost'	New Guinea Impatiens	pink	10-14"	Vigorous, mounded, upright plants with large flowers planting to frost; great flowering color for shaded areas; space 6-8"; easier to keep hydrated in large pots or in the ground; self-cleaning; deadheading not necessary; not susceptible to impatiens downy mildew; part shade to shade.
<i>Impatiens</i> x <i>hybrida</i>	'SunPatiens® Compact Red'	Impatiens	red	24-36"	Large 2-3" flowers on bushy well-branched plants; spring to frost; containers, borders; space 12-24"; downy mildew resistant; full sun to part shade; heat tolerant.
<i>Impatiens</i> x <i>hybrida</i>	'SunPatiens® Compact White Imp'	Impatiens	white	18-24"	Large 2-3" flowers on bushy well-branched plants; spring to frost; containers, borders; space 12-24"; downy mildew resistant; full sun to part shade; heat tolerant.
<i>Impatiens</i> x <i>hybrida</i>	'SunPatiens® Spreading Salmon'	Impatiens	soft salmon with white	24-30"	Profuse 2-3" blooms on stunning variegated yellow/green foliage; spring to frost; vigorous, dense plants spread in beds or containers; space 18-30"; downy mildew resistant, sun to part shade; heat tolerant; attracts butterflies.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Ipomoea batatas</i>	'Illusion® Emerald Lace'	Sweet Potato Vine	n/a	6-10"	Grown for chartreuse foliage; mounding growers that have very compact, dense, lacy foliage and more controlled growth habit; trailing and spreading to 24-36"; space 10-12"; use in hanging baskets, beds, borders, and window boxes; heat tolerant; sun to light shade.
<i>Ipomoea batatas</i>	'Illusion® Midnight Lace'	Sweet Potato Vine	n/a	6-10"	Grown for dark purple/nearly black foliage; mounding growers that have very compact, dense, lacy foliage and more controlled growth habit; trailing and spreading to 48"; space 10-12"; use in hanging baskets, beds, borders, and window boxes; heat tolerant; sun to light shade.
<i>Lagurus ovatus</i>	'Bunny Tails'	Bunny Tails Grass	cream to tan	12-18"	Compact plant topped with cute fluffy white puffballs early through late summer, turning to tan in autumn; can be dried; full sun; drought tolerant.
<i>Lantana camara</i>	'Bandana® Lemon Zest'	Lantana	light yellow with bright yellow	12-24"	Large 1.5-2.5" flowers, spring to frost; mounded habit; space 12-24"; no deadheading; fruits and leaves toxic, if ingested; full sun; heat & drought tolerant; attracts butterflies; deer resistant.
<i>Lantana camara</i>	'Bandana® Pink'	Lantana	dark pink with light pink, yellow	12-26"	Large 1.5-2.5" flowers on dark-green fragrant foliage, spring to frost; mounded habit; space 12-24"; no deadheading; fruits and leaves toxic, if ingested; full sun; heat & drought tolerant; attracts bees, butterflies and hummingbirds; deer resistant.
<i>Lantana camara</i>	'Bandana® Red'	Lantana	bright red with yellow	12-26"	Large 1.5-2.5" flowers on dark-green fragrant foliage, spring to frost; mounded habit; space 12-24"; no deadheading; fruits and leaves toxic, if ingested; full sun; heat & drought tolerant; attracts bees, butterflies and hummingbirds; deer resistant.
<i>Lantana camara</i>	'Patriot™ Classic™ Desert Sunset'	Lantana	yellow, gold with peach	24-30"	Large 1.5-2.5" flowers on dark-green foliage, spring to frost; mounded habit; space 18-24"; no deadheading; fruits and leaves toxic, if ingested; full sun; heat & drought tolerant; attracts bees, butterflies and hummingbirds.
<i>Lantana camara</i>	'Samantha'	Lantana	yellow	10-16"	Containers, great massing in beds, borders; spring to frost; mounding habit; no deadheading; fruits and leaves toxic, if ingested; full sun; heat & drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Lobularia hybrid</i>	'Dark Knight™'	Sweet Alyssum	purple	4-6"	Masses of deep purple fragrant flowers on trailing mounds, all summer to hard frost; beds, containers; prefers evenly moist soil; space 12-18"; deadheading not necessary; sun to part shade; heat tolerant; attracts bees, butterflies.
<i>Lobularia hybrid</i>	'Snow Princess®'	Sweet Alyssum	white	4-8"	Trailing habit; prefers evenly moist soil; space 8-10"; deadheading not necessary; beds, containers; continuous bloom; fragrant flowers; needs good drainage; heat tolerant; full sun to part sun; attracts butterflies.
<i>Nasella (formerly Stipa) tenuissima</i>	'Pony Tails'	Mexican Feather Grass	white	12-18"	Soft, flexible, feathery grass (formerly Stipa); forms dense, bright green clumps; silky white flowers in June change to gold as they mature; space 20-24"; striking alone or in large drifts; containers, combinations, landscapes; heat tolerant; full to part sun; drought tolerant.
<i>Nemesia fruticans</i>	'Bluebird'	Nemesia	blue-purple with yellow	10-12"	Clove scented blooms on upright growth; use in combinations, window boxes and landscapes; spacing 8-10"; blooms planting to frost; both cold and heat tolerant; self-cleaning; no deadheading necessary; needs good drainage; full to part sun.
<i>Nemesia hybrid</i>	'Sunsatia® Coconut'	Nemesia	white with yellow center	6-10"	Upright growth; use in combinations, window boxes and landscapes; spacing 8-12"; blooms planting to frost; both cold and heat tolerant; self-cleaning; no deadheading necessary; needs good drainage; full to part sun.
<i>Nemesia hybrid</i>	'Sunsatia® Lemon'	Nemesia	yellow	6-10"	Upright growth; use in combinations, window boxes and landscapes; spacing 8-12"; blooms planting to frost; both cold and heat tolerant; self-cleaning; no deadheading necessary; needs good drainage; full to part sun.
<i>Nemesia hybrid</i>	'Sunsatia® Mango'	Nemesia	pink with bright yellow, dark rose	12-18"	Upright growth; use in combinations, window boxes and landscapes; spacing 8-10"; blooms planting to frost; self-cleaning; no deadheading necessary; needs good drainage; full to part sun.
<i>Nemesia hybrid</i>	'Sunsatia® Raspberry'	Nemesia	raspberry-pink	12-18"	Use in combinations, window boxes and landscapes; spacing 8-10"; blooms planting to frost; self-cleaning; no deadheading necessary; needs good drainage; full to part sun.
<i>Oxalis triangularis</i>	'Charmed® Velvet'	Shamrock	pink	12-16"	Delicate flowers above velvety black colored, shamrock-shaped leaves; mounded habit; spring to summer; no deadheading necessary; containers or landscapes; space 12-14"; shade to part shade; drought tolerant.
<i>Pelargonium citrosum</i>		Scented Geranium, Citronella Plant	lavender	12-24"	Deeply lobed, soft, finely textured leaves emit scent of citronella when rubbed or crushed; scent not proven to repel insects; great for containers or beds; deadhead and pinch to prevent legginess; prefers well-drained soil; full sun to part shade; drought tolerant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Pelargonium x hortorum</i>	'Red Happy Thought'	Fish Geranium; Horseshoe Geranium; Zonal Geranium	cherry red	10-18"	Bears clusters of bright red single flowers above velvet/fuzzy-textured foliage; cream-yellow leaf centers and bright green leaf margins; upright growth habit; water only when dried out; sun to part shade; attracts butterflies and hummingbirds; deer resistant.
<i>Pelargonium x hortorum</i>	'Vancouver Centennial'	Geranium	red	10-14"	Maroon center/chartreuse edged leaves; star-shaped, bright, scarlet orange flowers with serrated edges; beds, containers; full sun to part shade.
<i>Pelargonium x hortorum</i>	'Wilhelm Langguth'	Exotic Geranium; Zonal geranium	red	12-15"	Soft green and white variegated foliage below attractive red flowers; excellent accent in the garden, window boxes, landscape plantings; upright mature form; full to part shade; attracts butterflies and hummingbirds; deer resistant.
<i>Pennisetum setaceum</i>	'Rubrum'	Red Fountain Grass	burgundy	36-48"	Use as an accent in borders, containers, great in mass plantings; burgundy-red foliage and burgundy toned seed head plumes to 12"; full sun to part shade; heat tolerant; deer resistant.
<i>Pentas lanceolata</i>	'Pink Profusion'	Pentas	pink	24-36"	Strong, upright habit; beds, borders; provide good drainage; flower head 3" across; blooms spring thru fall; full sun to shade; drought tolerant; attracts butterflies and hummingbirds.
<i>Pentas lanceolata</i>	'Starcluster™ Red'	Pentas	red w/white center	16-20"	Vigorous, upright habit, strong stems; rich, vibrant large flower clusters; beds, borders; provide good drainage; flower head 3" across; blooms spring thru fall; full sun to shade; drought tolerant; attracts butterflies and hummingbirds.
<i>Plectranthus</i>	'Nicoletta'	Plectranthus	purple	7-10"	Use in containers, beds, borders; silvery green leaf; spreading; full sun to part shade.
<i>Plectranthus amboinicus</i>	'Ochre Flame'	Plectranthus	lavender-pink	12-24"	Grown for foliage; beds, borders, containers; green/chartreuse leaves; sun to part sun.
<i>Plectranthus amboinicus</i>	'Variegatus'	Variegated Cuban Oregano	lavender-pink or white	6-12"	Grown as a culinary herb and attractive ornamental; creamy white edges on soft gray-green leaves stand out in gardens and containers; leaves have a strong, oregano-like flavor and are commonly added fresh or dried to flavor stews, poultry or red meat; full sun to partial shade; drought tolerant; attracts butterflies.
<i>Portulaca grandiflora</i>	'Mojave® Tangerine'	Purslane or Moss Rose	orange	2-5"	Large 2" single-petaled blossoms with exposed stamens, spring through fall, offering a two-tone effect; low growing, trailing habit to 18" spread; containers, hanging baskets, beds; space 8-10"; heat tolerant; full sun; drought tolerant; attracts butterflies and hummingbirds.
<i>Ruellia brittoniana</i>	'Purple Showers'	Mexican Petunia	purple	36-48"	Airy branching habit; continuous bloom into fall; tolerates wet as well as normal garden soils; flowers last only 1 day, but plants often produce a non-stop succession of bloom; sun to part shade; attracts butterflies and hummingbirds.
<i>Salvia coccinea</i>	'Coral Nymph'	Hummingbird Salvia	coral and white	24"	Compact plant with graceful sprays of abundant blooms; spring to early fall; stunning in beds and containers; easy care; good cut flowers; full sun; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Salvia farinacea</i>	'Victoria'	Mealycup Sage	violet-blue	16-18"	Deep blue blooms begin in late spring and persist until early fall; especially effective in mass plantings; full sun to light shade; drought tolerant.
<i>Sanvitalia</i>	'Sunbini'	Creeping Zinnia	yellow	6-10"	Spacing 12-14"; trails up to 20"; use in hanging baskets, window boxes or landscapes; blooms planting to frost; deadheading not necessary; heat tolerant; sun; drought tolerant.
<i>Solenostemon scutellarioides</i>	Assorted Varieties	Coleus	assorted	varies	Colorful foliage; beds, borders, containers; pinch tips for bushier plants; see our reference book for information on each variety.
<i>Tagetes erecta</i>	'Mumsy Yellow'	French Marigold	yellow	14"	4" double blooms resemble chrysanthemums on dark green foliage; erect, well-branching; benefits from deadheading; beds, containers, borders; space 8"; disease resistant, heat tolerant; full sun; deer resistant.
<i>Tagetes patula</i>	'Janie Deep Orange'	French Marigold	orange	8"	Early and floriferous variety; dwarf habit; 1-2 inch crested blooms; full sun; attracts butterflies.
<i>Tagetes patula</i>	'Tiger Eyes'	French Marigold	deep red with bright gold	12"	2" bold double bloom of deep red petals around bright gold pompoms; bushy plants; full sun.
<i>Torenia</i>	'Catalina® Midnight Blue'	Wishbone Flower	blue w/ yellow center	8-16"	Self-cleaning, no deadheading; hanging baskets, combinations, window boxes; heat and shade tolerant plants have snapdragon-like flowers all season; mounding/trailing habit; unique, yellow-throated blooms; part shade to shade; attracts birds & hummingbirds; deer resistant.
<i>Torenia hybrid</i>	'Summer Wave® Large Amethyst'	Wishbone Flower	amethyst	8-10"	Vigorous, low-growing; self-cleaning, no deadheading; use in hanging baskets, combinations, window boxes; heat and shade tolerant plants have snapdragon-like flowers all season; trailing habit; part shade to shade; attracts hummingbirds; deer resistant.
<i>Tradescantia pallida</i>	'Purpurea'	Spider Lily	pink	6-8"	Grown for its dramatic violet purple foliage; trailing habit; small three-petaled flowers bloom in clusters; prefers rich, moist, well-drained soils; best leaf color occurs in full sun; grows full sun to part shade; drought tolerant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Verbena</i>	'Lanai® Twister Pink'	Verbena	light pink with dark pink	4-10"	Clusters of multi-colored flowers all season; vigorous trailing annual ground cover; space 12-18"; low maintenance; hanging baskets, window boxes, landscaping, combinations; self-cleaning, no deadheading necessary; exceptionally mildew resistant; full sun; heat tolerant; attracts butterflies.
<i>Verbena</i>	'Lanai® Twister Purple'	Verbena	light purple with dark purple	4-10"	Clusters of multi-colored flowers all season; vigorous trailing annual ground cover; space 12-18"; low maintenance; hanging baskets, window boxes, landscaping, combinations; self-cleaning, no deadheading necessary; exceptionally mildew resistant; full sun; heat tolerant; attracts butterflies.
<i>Verbena</i>	'Lanai® Twister Red'	Verbena	light red with dark red	4-10"	Clusters of multi-colored flowers all season; vigorous trailing annual ground cover; space 12-18"; low maintenance; hanging baskets, window boxes, landscaping, combinations; self-cleaning, no deadheading necessary; exceptionally mildew resistant; full sun; heat tolerant; attracts butterflies.
<i>Verbena</i> hybrid	'Superbena® Burgundy'	Verbena	burgundy red	6-12"	Vigorous trailing annual ground cover; space 12-14"; low maintenance; well branched but will branch more if cut back; hanging baskets, window boxes, landscaping, combinations; self-cleaning, no deadheading necessary; full sun; heat and drought tolerant; attracts butterflies.
<i>Zinnia angustifolia</i>	'Profusion Double Cherry'	Zinnia	red	10-12"	1" to 2" daisy-like flowers; tough and sturdy with strong stems; good cut flowers; superb long season color; deadhead to encourage new growth; kid friendly; low maintenance; excellent cut flowers; full sun; drought tolerant; attracts butterflies.
<i>Zinnia elegans</i>	'Candy Mix'	Zinnia	mixed colors	30"	Pompon flower; novelty appeal with no two flowers alike; extra long-lasting double flowers; good cut flowers; full sun; attracts butterflies.
<i>Zinnia haageana</i>	'Profusion Apricot'	Zinnia	light coral with terra-cotta	12-15"	2" daisy-like blooms; dense, bushy, many-flowered plant; space plants generously; remove foliage from cut flowers; disease resistant; full sun; drought tolerant; attracts butterflies.
<i>Zinnia haageana</i>	'Profusion Yellow'	Zinnia	yellow	12-15"	1" to 2" daisy-like flowers; tough and sturdy with strong stems; superb long season color; deadhead to encourage new growth; kid friendly; low maintenance; remove foliage from cut flowers; disease resistant; full sun; drought tolerant; attracts butterflies.

CCEDC provides equal program and employment opportunities.
